***** Fast Facts *****

PHLEBOTOMY PROGRAM INFORMATION

- ❖ 4 weeks in class at our school (Didactic Training and Lab Training) – 16 days total in class and then 40 hours of externship.
- ❖ Classes are held Monday – Thursday for 4 weeks in a row.
- ❖ Daytime Classes are 9:00 – 1:00 - **Next class begins Monday, March 20, 2023**
- ❖ Evening Classes are 5:30 – 9:30 - **Next class begins Monday, March 20, 2023**
- ❖ **Last day of class portion will be April 13, 2023 – Externships will be AFTER the class portion and can take up to several months for all students to complete.**
- ❖ **Must pass the class, pass the certification exam, submit ALL requirements for externship and then student will be put in line to begin externship in the order in which everything is completed.**
- ❖ Minimum 40-hour externship will be required at a hospital or lab AFTER the above requirements are completed. Liberty Career College will assign students to an externship site. Externship is not on the weekends and is typically 8:30 AM to 5:00 PM on the weekdays.
- ❖ Certification Exam is taken online with a proctor and there is a **\$117.00** fee, which is paid at least two weeks prior to the exam and is payable to testing company. **STUDENTS MUST PASS CERTIFICATION EXAM BEFORE GOING TO EXTERNSHIP.**
- ❖ Cost of class is **\$2100.00** and includes: Tuition, Uniform, and Lab Supplies. The cost of the tuition is split into 3 payments shown on 2nd page of this flyer.
- ❖ High School Diploma or GED is required – Student must email a copy of their diploma or transcripts at time of enrollment.
- ❖ Foreign high school or college transcripts must be evaluated by a member of NACES – <http://www.naces.org/members.html> .
- ❖ Up-to-date immunization record including blood titer results for required immunizations any needed immunizations, Quantiferon blood test, **COVID vaccination(s)**, physical exam are all required before externship. Liberty will provide a list of needed immunizations/blood titers needed shortly before class begins. All health requirements must be submitted to Liberty Career College no later than **May 13, 2022**. A complete list of requirements will be emailed to students 1-2 weeks prior to the class beginning and they are also listed in our school catalog. Not turning in requirements on time will result in being dismissed from the program.
- ❖ Application fee to the State of California – Laboratory Field Services is **\$100.00** (Not needed until completed with all components and ready to mail application for certification. This fee is not included in our tuition price.)
- ❖ Background Check to be ordered by student (**\$50.75**) (This fee is not included in our tuition price and an order form will be provided in class.) Liberty will instruct when and how to order this once the class is in session.
- ❖ American Heart Association BLS for Healthcare Provider CPR card required – Can be taken at LCC at additional cost.
- ❖ Drug Screen - \$40-\$75 – This is typically required right before externship begins. LCC will advise when & where to get it done.

Registration is completed electronically.

Our office is not open for walk-ins at this time.

Please schedule an appointment if you'd like to visit the school campus.

Textbooks are NOT included in tuition price.

Students will need to order the book prior to class start date.

Liberty Career College will email students a link to purchase the book approximately 1-2 weeks prior to the class starting. Students must purchase the book through the link provided and cannot purchase from another source. Quizzes/tests will be taken through the use of the textbook online and students will be linked to our school account.

Book cost approximately: \$90

Schedule of Payments: Sorry, we do not offer financial aid.

We accept cash, checks and all major credit cards.

1. \$700 Required down to hold your spot at time of registration
2. \$700 Due on the first day of class, March 20, 2023
3. \$700 Due on April 03, 2023 which is the 9th day of class.

To register:

1. Complete the electronic form on our website – scroll down on the first page of website or see it also on the Phlebotomy program page.
